

Mr Sadibou BA, Chief Meteorology Operations Department, ANACIM

Sadibou BA is currently (2013-present) the Chief Meteorology Operations Department at ANACIM (Agence Nationale de l'Aviation Civile et de la Météorologie Nationale du Sénégal). He is responsible of weather observing systems and forecasting operations. Mr Ba is also the coordinator of the RSMC (Regional Specialized Meteorological Centre) Dakar. He is expert member on the SERCOM/SC DRR Advisory Group on Severe Weather Forecasting.

Prior to this position, he was the head of the weather forecasting service. In 2011, he joined the NOAA/CPC/African Desk for 4 months as a visiting scientist.

Mr Ba received his Diploma of Engineer in Meteorology from EHTP (Ecole Hassania des Travaux Publics) Casablanca (Morocco) in 2006.
